**O R D E R:**

The Energy Department have stated that the Joint Managing Director (HRD), Transmission Corporation of Andhra Pradesh (APTRANSCO) has sent proposals for creation of 12 additional Civil Engineering posts (SE=1, EE=2, AEE=7, AE/AEE=2) in Transmission Corporation of Andhra Pradesh for construction of additional substations and Transmission Lines, in his letter first read above.

2. The Transmission Corporation of Andhra Pradesh is a statutory body for transmission of electricity through out the state of Andhra Pradesh and is the sole licensee of the state transmission system in terms of Electricity Act, 2003. Accordingly the Transmission Corporation of Andhra Pradesh has been attached with the functions of operation and maintenance of Extra High Voltage lines and Substations at an extra high Voltage (EHV) level of 132KV, 220KV and 400KV. It is necessary for Transmission Corporation of Andhra Pradesh to expand existing transmission network by commissioning of new transmission lines and EHV Substations to meet the system demand and for transmission of quality power from time to time.

3. In view of the expansion of Power System network in many folds, sanction of additional civil engineering posts are necessary for construction of additional substations and new lines. The Joint Managing Director (HRD) has requested for approval of the proposal.

4. Government after careful examination of the proposal of the Energy Department hereby accord sanction for creation of 12
